

**De Soto Village Board**  
**Public Hearing**  
**Wastewater Treatment Facility Planning**  
Tuesday, July 2, 2024

1. The De Soto Village Board held their public hearing on Tuesday, July 2, 2024 at the De Soto Village Hall.
2. Village President Timothy Gillespie started the public hearing at 6:45 p.m. with roll call as follows: Timothy Gillespie-present, Scott DuCharme-present and Mitchell Schiffer-present. Joel Greiner, Michael Ryan & James Makepeace attending. Carrie Brudos-clerk
2. The village board will take input from the public as to discuss the proposed Wastewater Treatment Facility Planning.
3. There was no one present for public input.
4. James Makepeace discussed the engineer's report on the sewer plant and the proposed facility plan. The current sewer plant has been in existence since 1965. Funding has gone from 45% to 25% for the Clean Water Fund grant, due to an error made by the Census Bureau. As a result, the village will have to take out an additional \$500,000 for a loan. The interest rate also went from 1.287 % to 2.255%.  
Aerated lagoon = 4.6 million  
Extended Aeration Oxidation Ditch = 3.6 million  
Conventional Activated Sludge = 3.5 million  
Sequencing Batch Reactor = 3.8 million

Funding available:

**CDBG Public Facility Grant = 1 million**

Clean Water Fund 45% grant = 1.4 million-(previous calculation)

**Clean Water Fund 25% grant = \$888,250.00 (new calculation: mistake by census bureau)**

Loan = 1.154,150 million for 20 years at 1.287 % (previous rate)

**Loan = 1,664,750 million for 20 years at 2.255%**

Motion by Mitchell Schiffer, seconded by Scott DuCharme to adjourn the public hearing.  
Motion carried.

Carrie Brudos, Clerk
